Re: Richardson Flat Tailings Site, Operable Units 2 and 3, Park City, Utah, Demand for
Stipulated Penalties, Administrative Order on Consent Docket CERCLA-08-2014-0003

Dear Mr. Gee and Mr. Murray:

This letter is to demand from United Park City Mines (UPCM) stipulated penalties for violations of the Administrative Settlement Agreement and Order on Consent issued by the U.S. Environmental Protection Agency, CERCLA Docket Number 08-2014-0003 (Administrative Order).

On May 25, 2017, the EPA issued to UPCM a notice of work takeover pursuant to Paragraph 108 of the Administrative Order. UPCM had 10 days to remedy the deficiencies identified in the notice and failed to do so. Pursuant to Paragraphs 95 and 98 of the Administrative Order, the EPA hereby demands payment of a stipulated penalty in the amount of \$50,000.

Please see Paragraph 98 of the Administrative Order for payment instructions. Should you have any questions, please contact Amelia Piggott, the Enforcement Attorney assigned to the Site. She can be reached at (303) 312-6410.

Sincerely,
